Total	2,264	26,720,783	17,907,055	44,627,838

Note: Cumulative commitments are composed of disbursed and undisbursed balances. The undisbursed portion is revalued at current exchange rates, while the disbursed portion represents the cost of commitment at the time of disbursement. Excludes risk management and guarantee facilities.

* Of this amount, \$9.8 million represents investments made at a time when the authorities on Taiwan represented China in International Finance Corporation. The balance represents investments in the Federal Republic of Yugoslavia (Serbia and Montenegro), which has not yet completed requirements for membership in IFC, and in West Bank and Gaza.
