

World Vision

*Our vision for every child, life in all its fullness;
Our prayer for every heart, the will to make it so*

Who are we and what do we do?

World Vision is a Christian humanitarian organization working to create lasting change in the lives of children, families and communities in poverty. Through our partnership with local communities, the government and other stakeholders, we seek to develop the capacity of the poor to improve their lives through sustainable development.

Since 1991, World Vision has been facilitating community development initiatives throughout the remote regions of Luang Prabang province. This is to ensure sustainable livelihoods for poor communities, especially children, by focusing on activities that promote mother and child health, food security, education, income generation and access to water and sanitation.

World Vision is committed to securing a hopeful future for children and their families in the more isolated and poorer areas of Luang Prabang. Community resilience is strengthened through increased awareness on issues such as HIV/AIDS prevention and disaster mitigation. At the same time we work together with communities to use resources in an environmentally friendly manner in order to preserve the natural beauty villagers live in, for generations to come.

What can you experience?

- World Vision has an office in Luang Prabang town as well as in a number of districts in the province. Visit any of our offices and learn through visual displays about what positive change is possible through committed sustainable development initiatives.
- World Vision works among different ethnic groups and in a variety of locations. In the near future, you will be able to visit our projects with a local tour guide.
- To donate to the piggy bank or learn about the many other ways you can help the poor in Luang Prabang, please contact a World Vision office in your home country. Experience the satisfaction of contributing towards the well-being of children and their families by giving a gift to buy a pig or goat that will give rural households increased livelihood security. Donations are made through your home country.
- Child Sponsorship is a unique experience that can allow you to develop a one-to-one relationship with a child living in poverty. We invite individuals, groups or corporate organizations who are interested in sponsoring a child in the Lao PDR to contact the World Vision office in your home country.
- Contact your hotel or guesthouse for more information.
