This publication is printed with soy-based inks on Mohawk PC100 paper, which is process chlorine-free and contains 100% post-consumer waste fiber.

## MOHAWK windpower

The paper was manufactured using non-polluting, wind-generated energy.

The paper carries the Green Seal® and is FSC certified by SmartWood.

Green Seal is an independent, non-profit organization dedicated to safeguarding the environment and transforming the marketplace by promoting the manufacture, purchase, and use of environmentally responsible products and services

The Forest Stewardship Council ([www.fsc.org](http://www.fsc.org)) is an international network to promote responsible management of the world's forests.
