Examples of Successful Cooperation

Jerónimo Martins, Colombia

IFC committed a $95 million loan in 2020 and a $93 million loan in 2019 in Colombian Pesos to Ara Tiendas, a Colombian food store chain, to finance expansion of its retail stores as well as working capital. Ara Tiendas is a subsidiary of Jerónimo Martins, one of the largest European food retailers based in Portugal. IFC’s investment in Ara Tiendas, a soft discount retailer, increases access to good quality food and staple goods in a modern retail environment at affordable prices, including in underserved areas in intermediate cities. With 1241 stores in operation in the country, of which 27 percent were established in the last 12 months, Ara Tiendas’ growth has also created significant employment (12.5k employees 2022) and lead to the development of a local supply network.
