IFC's award-winning Disclosure and Transparency Toolkit “Beyond the Balance Sheet” helps emerging market companies understand how to report better to investors and other stakeholders. This webinar aims to explain the benefits of transparent corporate reporting, integrating financial and Environmental, Social and Governance (ESG) information, and how it may shed light on how companies create different types of long-term value, including financial, social, and environmental contributions to addressing societal crises, such as the current pandemic.

12:30 – 12:40
