

November 9, 2016
Clare Education Centre, British Museum, London
(Great Russell St, London WC1B 3DG, United Kingdom)

08:00-08:15	Registration (<i>East Foyer</i>)
08:15-08:30	<p>Welcome: <i>Morgan Landy, Director, Environment, Social & Governance (ESG), IFC</i></p> <p>Opening Remarks: <i>Jamie Fergusson, Manager, Sustainability, ESG, IFC (BP Theatre)</i></p>
	<p>Opening Session (Panel): Transparency and Disclosure (BP Theatre)</p> <p><i>This session will discuss the business case for ESG disclosure touching on different perspectives and emerging practice, prevailing challenges and constraints, and possible solutions for enhancing ESG disclosure in emerging markets to mitigate risks and create a level playing field. The panelists will examine the benefits and drivers of ESG disclosure from the perspective of institutional investors, financial institutions, and corporates.</i></p>
08:30-10:00	<p>Introduced by: <i>Sandra Abiola, Senior E&S Specialist, IFC</i></p> <p><i>Nigel Beck, Chair, Equator Principles Association Steering Committee</i> <i>Christine Chow, Associate Director, Hermes EOS</i> <i>Paul Lee, Head of Corporate Governance-Stewardship, Aberdeen Asset Management</i> <i>Michael Wilkins, Managing Director, S&P Global</i></p> <p>Moderated by <i>Morgan Landy, Director, IFC</i></p>
10:00-10:15	Coffee Break (<i>East Foyer</i>)
10:15-11:30	<p>Labor: Emerging Trends and Key Challenges (BP Theatre)</p> <p><i>This session will discuss (i) Challenges and new trends related to PS2: Living wage in global supply chains and Modern Slavery: what is new, how it applies to investment projects and what needs to be done differently; (ii) Supply Chain Management: reducing the risks in global supply chains and implementing effective measures to monitor compliance, useful tools and case examples in cocoa and cotton; (iii) National legislation vs PS2: What should our approach and required outcome where national legislation is lower or contradicts requirements of PS2.</i></p> <p><i>Larissa Luy, Senior E&S Specialist, IFC</i></p>
11:30-12:30	<p>Your Questions Answered! (BP Theatre)</p> <p><i>Q&A session that will strive to provide answers to interesting and challenging questions posed by the participants.</i></p> <p><i>Moderated by Richard Caines, Principal E&S Specialist, IFC</i></p>
12:30-13:00	<p>Lunch Presentation: (<i>Sackler Room</i>)</p> <p>Too Precious to Lose: Safeguarding Critical Habitats for Species on the Brink of Extinction (12:30-13:00)</p> <p><i>Worldwide, the Alliance for Zero Extinction (AZE) – drawn from international and local NGOs across the planet - has identified more than 500 sites that are the last remaining habitat for one or more critically endangered species. This session will provide an introduction to these remarkable places, and provide practical guidance on the application of the Equator Principles and IFC Performance Standard 6 to these sites.</i></p> <p><i>Aida Kowalska, Global Safeguard Policy Officer, Birdlife</i> <i>Pepe Clarke, Head of Policy, Birdlife</i></p>
12:30-13:30	Lunch (<i>East Foyer</i>)

Tools to Enhance ESG Due Diligence and Risk Management (BP Theatre)

13:30-14:30

This session aims to provide participants with an overview of the tools which IFC E&S Specialists piloted to identify & anticipate ESG risks and issues in projects, including contextual risks - geospatial maps, IBAT, vendor-supported research, portfolio watch-lists and more.

Raymi Beltran, Senior E&S Specialist, IFC

Thematic Mini-Clinics (Four Sessions)

**Session 1 (Sackler Room)
Livelihood Restoration: Challenges and Opportunities**

Join us for an animated discussion on challenges and opportunities of Livelihood Restoration and share with us your experiences. This session will also touch on IFC's new resettlement handbook currently being drafted.

*Shaza Zeinelabdin, IFC
Larissa Luy, IFC
Aditi Joshi, Mizuho Bank*

**Session 2 (The Studio)
PS6-compliant Biodiversity Management and Action Plans in Practice**

Join us as we share lessons learned and examples from PS6-compliant biodiversity management and action plans. The session will include IFC specialists and external experts who have worked on various IFC projects. The clinic will provide links to publicly disclosed plans to use as models in future projects, as well as associated insights from a lender's point of view.

*Jennifer Hruza, IFC
Robin Mitchell, The Biodiversity Consultancy
Frazer Lanier, Citigroup*

**Session 3 (BP Theatre)
ESMS Simplified: Practical Implementation Challenges**

Participate in this practical session on application and implementation of ESMS. How can we better help our clients to develop their ESMS and improve compliance with standards?

*Raymi Beltran, IFC
Richard Caines, IFC*

14:30-16:00
