

IFC Financing to Micro, Small, and Medium Enterprises in IDA Countries

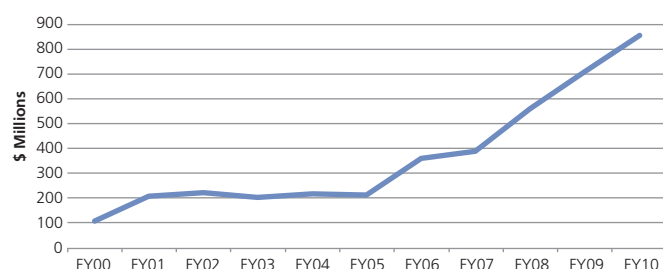

KEY HIGHLIGHTS

IFC is working to develop solutions to close the micro, small, and medium enterprise (MSME) financing gap, collaborating with more than 80 financial institutions across 36 IDA countries.

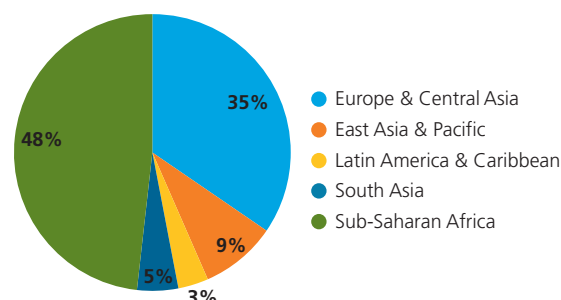

As of June 2010, IFC committed a total of \$856.5 million to MSME finance in IDA countries, with \$266.7 million in fiscal year 2010. In addition, IFC's microfinance institution (MFI) clients had 681 thousand loans outstanding to micro-enterprises in IDA countries by end of 2009, totaling \$1 billion. Similarly, IFC's SME financial institution (SME FI) clients had 85 thousand loans outstanding to SMEs by end of 2009, totaling \$6.5 billion in IDA countries.
