Spotlight

IFC at the C40 World Mayors Summit in Buenos Aires

Since 2004, IFC has invested and mobilized over \$10.6 billion in more than 320 projects in the cities space, promoting growth, creating jobs, and accelerating the transition to low-carbon development. In October, IFC participated at the C40 World Mayors Summit in Buenos Aires to share with city leaders from around the globe how we are helping meet urban citizens' needs and addressing climate challenges. At the event, IFC and C40 signed a partnership to support cities in building green investment pipelines.
